Call 830-537-5090 To Pre-Register!

What is Helice or “ZZ Birds”?

Helice or “ZZ-Birds” is a competitive shotgunning sport that is like shooting clays with the unpredictability of bird hunting. Helice was developed in Europe in the 1960s as a replacement for live pigeon shooting. Target flight times are short and random, so shooter instinct, speed, and accuracy are at a premium. The objective is to not only hit the target, but to separate the white cap from the orange wings with the white cap landing inside a semi-circular fenced ring. There are 3 opportunities to shoot ZZ-Birds at Joshua Creek Ranch:

1. Make a reservation to shoot anytime, solo or bring a group >>> **SEE DAILY PRICING >>>**
2. Shoot in our ZZ Top Shooter Tournaments, every Thursday evening through August!
3. Shoot at our Helice Open-Range, every Sunday morning through August! (No Set up Fee)

New Lower Pricing!
